

STATEMENT OF CONFORMITY

№ P322.14 / 2024-08-13

Importer:	AXPOL Trading Sp. z o.o. Krzemowa 3 62-002 Suchy Las, Poland
Declares that the product:	10.000 mAh Fast Charging 10W Wireless Powerbank with PD
Product number:	P322.14
Product details:	Durable 10.000 mAh powerbank made out of ABS. Supports 10W wireless fast charging and comes with one USB port to also allow charging by cable and an ultra-fast PD type C output to charge even larger devices (up to 18W) When fully charged it will provide you with enough energy to re-charge your mobile phone up to five times. Unique feature of this powerbank is that it supports fast input charging to re-charge the powerbank twice as fast as most powerbanks in the

Is conformal to the following directives and standards:

Protection against overcharging of mobile devices

Conform Radio and telecom equipments directive 2014/53/EU

Conform Hazardous substances directive 2011/65/EC & 2015/863, Material safety data sheet available

Conform PAHS content in Reach & ZEK 01-4-08

Conform Phtalate content

Conform Battery transportation safety directive UN38.3

Conform Battery directive 2006/66EC, Air transport certificate used for air shipment, Free from short- and medium-chain chlorinated paraffins, Energy saving low standby current, Durable A grade materials applied, Temperature control against overheating, Protection against short circuit damage, Detection of foreign objects other than mobile devices, thus protecting charger and devices.

Conform Alkaline batteries safety directive EN62133, Protection against peak currency transmission to devices
