Declares that the product: VINGA Lean Glass Water Bottle

Product number: VG066

Product details: A neat waterbottle in glass with a silicon sleeve. The sleeve gives you a nice grip and protects the bottle from outer impact. Simple and stylish design. The bottle is made with borosilicate glass, a type of glass that is more resistant to thermal shock than ordinary glass. Borosilicate is a highly durable and qualitative material that lasts and withstands most impacts.

Is conformal to the following directives and standards:

Bisphenol A free materials used

Conform Food safe directive 1935/2004/EC & 2020/1245
